How To Find Our Garden

Fuchsias

Visit our gardens in Ross, seventeen miles north of San Francisco across the Golden Gate Bridge. We have specimen plants of all the fuchsias listed in this catalog, growing and named, in our gardens for display and bloom. Also shown are the various ways in which they can be grown, such as fuchsia standards, hanging baskets, etc. Potted plants range in price from 75 cents in 4-inch pots up to \$10.00, according to size of plant.

Read carefully before ordering. Write plainly. Print your name and address clearly. Remit order by check or money order. Currency or coins are acceptable but we cannot be responsible for loss.

RETAIL PRICES

All our new 1963 introductions in 2¼-½ pots \$.75 each.

As we specialize in the newer varieties, all 1961 introductions by other hybridizers may be ordered by mail or obtained at nursery.

All other varieties in 2¼ - ½ inch pots \$.50, except patented and trade-mark registered varieties which are \$.75. We find a well rooted plant this size stands shipping best with less shock.

Special offer of 12 plants, in 2¼ - ½ inch pots, all named varieties, our selection, \$5.00. List varieties you already have and we will not duplicate.

At times we may be temporarily out of certain varieties, so when ordering please name one or more substitute plants for second choice.

We guarantee all plants to be in perfect condition when shipped. Unless otherwise ordered, all plants are sent express collect. If you wish to have your order sent by parcel post, please be sure to so indicate and to include \$1.00 to cover mailing charges. Packing free.

Minimum shipment \$3.00. On all orders for delivery within California, please add the 4 percent California Sales Tax.

PLEASE REMEMBER WE ARE CLOSED ON THURSDAYS.

We are members of AMERICAN FUCHSIA SOCIETY and CALIFORNIA ASSOCIATION OF NURSERYMEN.

NOTE — We are a "Pinto Tag" nursery;
this assures prompt delivery.

1963 Introductions

by

Muriel Waltz

BRIDAL VEIL. A natural double trailer, sepals and large fully double corolla, are creamy white, growing habits excellent, self-branching, continuous bloomer, has small dark green glossy foliage, heat resistant.

PACIFIC QUEEN. Double upright. The wide phlox pink sepals are tipped with white. Corolla fully double and a warm shade of old rose fading to a brighter shade, a big easy to grow upright, free bloomer, foliage medium sized dark green. The show fuchsia character of the flowers sells this one.

TROUBADOR. A natural trailer in the large double class, the long pointed buds and wide sepals are a brilliant crimson. Corolla a dark lilac purple with splashes of crimson at base of petals a brilliant bloom, medium sized dark green foliage.

WHITE FAIRY. The whitest of whites. Sepals and double fluffy corolla. Snowy white blooms of amazing substance are medium to large size and do not wilt, foliage small, light green. Plant is self-branching, continuous bloomer. Beautiful pot plant. Grown as a bush or could be trained as a semitrailer.

Double Fuchsias

ANGELA LESLIE. (Tiret.) (Patented.) Upright, very large double deep pink corolla, recurving medium pink sepals.

BLUE LAGOON. (Tiret, 1961, Pat. Pend.) Huge medium blue corolla as large and at times larger than the popular "Papa Bleuss."

BLUE WAVES. (Waltz.) Double corolla with waved petals of deep campanula violet, tube is flushed pink and the upturned sepals are Neyron rose.

CANDELIGHT. (Muriel Waltz.) (Trade-Mark Reg.) Large, double corolla of very dark purple lilac fading into bright carmine red, tube and broad sepals are pure white.

CITY OF RICHMOND. Medium size spreading corolla of pale pink with white upturned sepals. Medium grower.

DARK SECRET. Double corolla of deep violet, a few outer petals marked phlox pink, short greenish tube and heavy broad upturned sepals waxy white.

EASTER BONNET. (Waltz.) Corolla is a lovely dusky rose pink with slightly deeper shade at base of petals.

FANTASY. (Waltz.) Semi-double, wide open flat flower. Corolla consists of 4 large double purple petals, palest orchid pink.

FASCINATION. Large double pink, deep pink sepals. One of the finest, especially large in cooler climate.

FRENCHI. (Waltz.) Tube flushed white with wide, upturned, recurved salmon-pink sepals. Large, double corolla is silvery blue and pale rose-mauve with pink.

GEORGANA. (Patented.) Bushy, upright grower with large, double grey-blue corolla and pink sepals.

JAMBOREE. A huge flowered double of brightest carmine. Irregular petals of this immense crisp flower are a dazzling color.

LACE PETTICOATS. (Patented.) Double corolla of serrated petals of white shot with palest blush. Large full flower, outspread white sepals.

LADY BETH. (Trade-Mark Reg.) Giant flowered double, bright violet blue with phosphorus sheen.

LA ROSITA. A fully double, the broad pointed sepals coral pink tipped white, corolla a lovely shade of rosy pink.

MARIETTA. (Waltz.) A large double red upright of extra good substance. Medium long tube, buds, and broad upturned sepals are bright carmine.

MY DEAR. (Waltz.) The short white tube and recurved sepals are flushed white; the corolla, a warm shade of clear lavender.

MORNING LIGHT. (Waltz.) Tube and base of petals are coral pink, while the broad upturned sepals are snowy white. Corolla fully double is an exquisite shade of deep lavender blue.

MIDGE. A little gem, stem and small broad recurved sepals are flushed pink outer side, deeper pink underside, corolla fully double, a lovely shade of clear silver blue.

PAPA BLEUSS. (Patented.) Double corolla of deep Bishop Violet slightly marbled at base with delicate crimson.

PINK FAIRY. (Waltz.) Large double clear pink corolla and creamy white tube with broad recurving sepals of palest rose.

PINWHEEL. (Waltz.) A large flat double upright in the pastel shades. Flower resembles a pinwheel in form. The short tube and buds are flushed pink.

ROSE PETALS. Short tube and broad upturned sepals red, corolla white flushed red at base of petals, good pot plant.

SAN LEANDRO. Double magenta to vermilion, tube and sepals carmine; upright grower; big flowers, heat tolerant.

DOUBLE FUCHSIAS (*continued*)

SHY LADY. (Waltz.) (Trade-Mark Reg.) Broad pointed upturned sepals of ivory white; corolla creamy ivory opens into a symmetrical formal flower turn light pecah.

SONATA. Clear white corolla with pink sepals. Upright grower. This fills the need for a large, sturdy pink and white.

STARLITE. (Waltz.) Tube and broad pointed sepals are a new smoky rose shade, corolla a deeper shade of lilac rose opens into a square shaped flower with a star-like center.

VIENNA. Tube and sepals bengal rose. Petals lilac blue, splashed with both light and bengal rose.

VIOLET GEM. Upcurved sepals of carmine. The widespread petals of deep violet have just a touch of carmine at the base.

VOODOO. (Patented.) Darkest of any large double fuchsia a deep purple violet. Short tube and long sepals dark red.

WARPAINT. Purple corolla with coral pink marbling fading to reddish purple. Short tube and broad flaring sepals white.

WHITEMOST. Fluffy perfectly white corolla and faintly pink sepals; floriferous. A sensational beauty. Will trail.

Double Fuchsias Trailing

ANNA. Double corolla with outer half of petals strong magenta while the base of petals and the sepals and tube are strongest carmine.

ANGEL FLIGHT. Long white tube and wide deep pink sepals, double white corolla with long petals in center.

BALI HI. (Patented.) A beautiful full double corolla of blue violet fading to rose violet, slightly variegated in later shades.

BLOOMER GIRL. Double natural trailer. Sepals bright carmine; corolla pale pink veined carmine.

BLUE BUTTERFLY. (Waltz.) (Trade-Mark Reg.) A medium to large semi-double trailer, distinctly different. Short tube and long white sepals are white, corolla a deep violet blue splashed with white.

BLUETTE. Tiny lavender blue and rose red. Corolla double, lavender blue; sepals rose red. Dainty little plant

CAPRI. The corolla of the huge, heavily petalled blooms is a deep rich blue-violet. The short, thick tube and the broad, granular sepals are glistening white.

CARNIVAL. (Patented.) Double of brilliant Spirea Red and glistening, frosty white sepals.

CURTAIN CALL. Corolla has serrated edges and color ranges from deep rose bengal on center petals to crimson on outer ones; pale carmine tube and carmine sepals.

DOCTOR OLSON. Double pale orchid pink with large center petals, surrounded by shorter spreading petals overlaid with purple with salmon flush.

DON PERALTA. Very large flower of semi-double corolla of deep carmine red, similar in color to ANNA. Vigorous trailer.

DOUBLE FUCHSIAS TRAILING (*continued*)

DUSKY ROSE. (Waltz.) (Trade-Mark Reg.) The medium sized tube and long sepals which curl at tips are a clear deep coral pink, corolla a lovely shade of rose.

ENCHANTED. (Patented.) Large campanula blue and rose red double flower. Corolla blue purple overlaid with fuchsia pink. Sepals rose-red. Natural trailer.

FLYING CLOUD. (Patented.) Semi-double to double white. Tube and long spreading sepals white.

FORT BRAGG. The tube and broad upturned sepals are a rose shade, the large double corolla of pale lavender rose has a bluish tinge.

LAZY LADY. Semi-double trailer with medium blue corolla shading to light blue near sepal. Sepals extra long.

LILAC 'N' ROSE. (Waltz.) Sepals of white flushed pink. Corolla with folded petals of lilac changes to a beautiful shade of bright clear rosy pink.

LILIBET. A double soft rose corolla flushed geranium lake, long tube and recurved white sepals flushed pale carmine.

MAMA BLEUSS. (Tiret, 1959, Pat. Pend.) This is a soft blue and pink "Enchanted." However, it is not a sport of "Enchanted."

MISS WASHINGTON. Large corolla is double white with palest orchid flush on large center petals, all petals veined orchid pink at base.

MY KEEPSAKE. Pink trailer same coloring and habit of growth as Pink Galore. Stem and sepals are frosty pink, the very double large corolla a clear pink.

NIAGARA. Corolla is rose veined on a clear white base; sepals are broad, thick and granular white with very pale pink edges.

NIGHTINGALE. (Waltz.) Sepals are white, flushed pink, center of corolla a deep purple with outer petals of pink and white and coral tones.

PINK GALORE. (Trade-Mark Reg.) Double, long corolla a beautiful soft rose or candy pink; tube and long, upturned sepals slightly deeper pink.

RED JACKET. (Waltz.) (Trade-Mark Reg.) Trailer with gorgeous, large fluffy double white corolla and the brightest red buds and long sepals.

SAN JOSE. A sport of San Pablo but a little more trailing in habit. The large corolla is white and the sepals rose pink.

SAN MATEO. Very large double victoria violet corolla, fuchsia pink splashes.

SAN PABLO. Color rose orchid with rose.

SOUTH GATE. Double pink of very nice form. Corolla neyron rose; tube and sepals white tipped green, very good.

SO BIG. (Waltz.) Corolla is creamy white with long upturned sepals of pale pink.

SHADY LANE. (Waltz.) The fully double flaring corolla has overlapping petals of lilac blue splashed with coral pink.

SIERRA BLUE. (Waltz.) The short tube and wide upturned sepals are white outer side, flushed palest pink underside. The corolla a full double of silver blue.

STREAMLINER. (Patented.) Long, thin tube and long twisted sepals of bright crimson. Corolla semi-double and of the same shade.

SUMMER SNOW. (Waltz.) (Trade-Mark Reg.) Semi-double white corolla, tube and curved upturned sepals white, tipped green.

SWINGTIME. Double corolla is milky white. Tube and short, upturned sepals shiny red, inside of sepals rose red.

DOUBLE FUCHSIAS TRAILING (*continued*)

TIFFANY. Large double pure white corolla with upturned sepals palest pink. Tube and upper side of sepals white.

THUNDERBIRD. (Patented.) Tube and sepals which are extremely long are Neyron rose. The double corolla is vermilion.

TUTTI-FRUITTI. Medium sized double flowers of iridescent magenta rose. Reflexed pale pink granular sepals.

TUTU. Rhodamine purple flecked with aster violet. The spreading sepals are palest rose inside and greenish white outside.

UNCLE JULES. Double violvet blue, sepals crimson. Foliage is small, thick, and the growth scandent.

WALTZ TIME. (Waltz.) (Trade-Mark Reg.) Tube and broad upturned sepals are pure white, tipped green outside and palest flushed pink underside. Corolla a full double has folded petals of glowing pink.

WHITE BOUQUET. (Waltz.) Tube and broad upturned sepals are ivory white with touch of pink at base of tube. The white buds with pale pink pistils open into a perfectly formed, fully double corolla.

1962 *fuchsias*

BONNIE LASS. (Waltz.) Medium size upright with double clear lilac corolla, sepals frosty white outside and palest pink underside. Makes an excellent pot plant.

CITY OF PACIFICA. (Reedstrom.) Large double pale blue corolla and white sepals. Said to take full sun.

COED. (Erickson.) Full double corolla of smoky rose with orange undertone, some petals marbled white. Long tube and broad outspread sepals of purest white.

CRYSTAL BLUE. (Kennett.) Trailer with semi-double clear violet blue corolla and occasional petaloids of white or pink. Sepals are white tipped green with pale pink tube.

FLIRTATION WALTZ. (Waltz.) Double true shell pink corolla and white spreading sepals of creamy white, flushed pink. Good upright.

NOT SO BIG. (Machado.) Small upright plant with blue corolla, sepals of pale pink and a white tube.

ORANGY. (Reedstrom.) Trailer with single pale orange corolla. Tube and sepals pink orange. Yellow cast to leaves.

INDIAN MAID. (Waltz.) (Trade-Mark Reg.) Trailer with double corolla of a rich shade of royal purple, extra long wide recurved sepals of scarlet red.

RED SHADOW. (Waltz.) (Trade-Mark Reg.) Large double trailer with ruffled corolla of deep burgundy purple, crimson tube and upturned sepals. As flower matures, it changes to a shade of ruby red.

ROYAL ORCHID. (Hodges.) Trailer with large single bell shaped corolla. A blend of orchid and blue, flaring and changing to deep wine. Extra long wide spreading sepals white tinted pale carmine.

ROYAL VELVET. (Waltz.) Large double ruffled corolla of a luminous deep purple. As flower matures petals flare open displaying crimson center and color changes to rosy purple. Tube and upturned sepals crimson red.

SENSATION. (Munkner.) Trailer with single deep violet blue corolla, petals slightly waved. Long narrow sepals shiny pink outside, medium pink underneath, tipped pale green.

Single Fuchsias

AURORA SUPERBA. Sepals and tube of light orange apricot, corolla of deep orange peach.

CARDINAL. Giant single scarlet red flowers in great profusion. Strong semi-climber.

CHANG. Single bright orange; flesh sepals flushed red. Strong upright grower, free bloomer.

CITATION. Single white corolla. Tube and saucer-like sepals light to rose pink.

DAVID. A semi-double miniature, an old English fuchsia, very hardy, sepals and corolla red.

ERECTA NOVELTY. Single white and pink, corolla margined with rose. Erect flowers.

LORD BYRON. Small black purple and red. Corolla deep velvety purple; sepals bright scarlet. Dwarf bushy habit.

MABELLE EDWARDS. (Waltz.) A single clear pink bell-shaped flower with long drooping stems.

MISSION BELL. Single bell-shaped flaring flower. Stem and sepals bright crimson, corolla royal blue.

MYBETTE. A small busy plant. Stem, sepal and corolla a clear pink; good bloomer, small dark green foliage.

OTHERFELLOW. Near-white at base to coral pink at petal edges; tube and short green-tipped sepals are waxy white.

PINK CLOUD. Single corolla of light orchid pink, short waxy tube and long, broad recurved sepals of phlox pink.

ROSE OF DENMARK. Lustrous rose pink, recurved sepals white. Medium sized flowers and free bloomer.

SLEIGH BELLS. A single, all white beautiful flower. The single white corolla forms itself into a perfect bell.

Single Fuchsias Trailing

AMERICA. Long thin tube and sepals rose madder on the outside, solid crimson on the inside. Single short corolla deep crimson.

AUTUMNALE. Highly colored foliage of bronze, orange, yellow and green. Grow in sunnier location. Pinch back frequently.

BEAUTY OF HYDCOTE. Tube and recurved sepals creamy white, corolla coral pink. Will stand plenty of pinching.

CASCADE. Masses of large single blooms, long pointed sepals white flushed carmine and deep carmine corolla.

FIERY SPIDER. Single corolla crimson with decided orange flush; long thin tube deep carmine, long narrow sepals pale salmon tipped light green.

GOLDEN MARINKA. A sport of Marinka with the same easy, self-branching habit of growth, deep red flowers and red stems. However, each leaf is variegated.

JACK SHANAN. Sepals are of the palest rose bengal and the petals of the same color are margined with a darker shade.

MRS. RUNDLE. Very long tube and pointed sepals of flesh color with vivid orange corolla. Will trail.

MARINKA. Almost a self-color with rosy scarlet corolla and crimson scarlet sepals.

PINK DELIGHT. Single trailer. Long gracefully curved sepals pale pink; corolla clear pink with lavender undertones.

PURPLE SAGE. Single saucer-shaped deep purple corolla opening perfectly flat with recurved deep red sepals.

STARRY TRAILS. (Waltz.) Tube, streamlined buds and long thin sepals are rosy pink. Corolla has overlapping petals of bright carmine, tipped with creamy white.

TEXAS LONGHORN Fuchsia-La. (Trade Mark Reg. 1960.) Tube and long out spreading sepals are bright red, the single to semi-double corolla clear white.

TINKER BELL. Long single white corolla, veined soft pink. Tube and long, spreading and then upturned sepals range from white to pink, sepal inside soft pink.
